

REMARKS

The specification has been amended to include the ATCC deposit information. A receipt from ATCC is attached. Claims 1, 6 and 22 have been amended to state the ATCC accession number. No new matter is included in these amendments.

Applicant respectfully requests entry of the foregoing amendments to the specification and claims.

The Examiner's Amendment included with the Notice of Allowance canceled claims 23-29. The Examiner telephoned Applicant on July 12, 2005 and stated that he reconsidered claims 23-29 and would now allow claims 23-29. Applicant therefore has added claims 23-29 of the Amendment dated May 25, 2005 as new claims 30-36 in this Amendment After Notice of Allowance. The Examiner also reconsidered his Amendment of claim 14 and instructed that in claim 14, line 2, after "transgene", [that] be deleted, and after "herbicide", [is] be deleted.

Applicant respectfully requests entry of the foregoing amendments to the specification and claims.
